

BENZ Inc. now repairing all makes of woodworking aggregates.

For those of you who cannot find a repair facility in North America for your other aggregates, rest easy, BENZ Inc. can help. We will do our best to repair and test your crashed and worn aggregates by any manufacturer. Complete evaluation, repair and testing of your aggregate is now available and it's done right here in our Charlotte, NC facility.

It's true some manufacturers are no longer in business, but parts like bearings, seals and gears can still be sourced. Repaired BENZ aggregates carry a 1 year warranty and off-brands will have a 6 month warranty. We also service and repair Multi-Spindle Drill Banks.

Why let your expensive aggregates sit unused and out of service?
